

Techniques for high quality teacher to pupil interactions.

Technique	Example
Tuning in...	Listen carefully to what she is saying while watching what she is doing.
Showing genuine interest...	Give attention ... make eye contact ... smile and nod
Asking her to elaborate...	'I really want to know more about this'
Re-capping...	'So you think that'
Give your own experience (share)	'I like to listen to the radio while ironing...'
Clarifying ideas ...	'So, you think that ...'
Using encouragement	'That's amazing work, what can we do next?'
Suggesting	'Have you thought of trying it this way?'
Reminding	'Don't forget we said we'd try this'
Asking open questions	How did you...' Why does this ...' What happens next...'
